7 UNITED STATES DISTRICT COURT
8 WESTERN DISTRICT OF WASHINGTON
9 AT SEATTLE

10 MARYLIN TAYLOR,

11 Plaintiff,

12 v.

13 ROB W. TRICKLER,

14 Defendant.

15 CASE NO. C13-1483RAJ

16 ORDER

17 The court dismissed this case on September 30. Plaintiff has now filed a motion
18 for default judgment. Dkt. # 10. That motion is inappropriate in a closed case, and the
19 court directs the clerk to TERMINATE that motion.

20 This matter is closed, and putting aside very limited exceptions, no further filings
21 are appropriate. The court directs the clerk that if Plaintiff continues to file motions or
22 other documents in this case, the clerk shall docket them, but shall not note them as
23 motions unless the court orders otherwise. The court notifies Plaintiff that it will take no
24 action on any document she submits unless it raises a proper request for post-dismissal
25 relief.

26 DATED this 4th day of December, 2013.

United States District Court Judge
